Ootacamund, June 21, 1910.

No. 370.—Whereas the Manager of the Vayyúru estate and the Guardian to the minor Zamindar thereof have applied under section 32 (*c*) of the Madras Forest Act V of 1882 for the application of section 26 of the said Act to the whole of the Vayyúru estate, His Excellency the Governor in Council, in the exercise of the power vested in him under section 32 of the said Act, hereby extends the provisions of section 26 of the said Act V of 1882 to the said estate in the Kistna district.

Under the powers vested in him by sections 26 and 32 of the Madras Forest Act V of 1882, His Excellency the Governor in Council is pleased to make the following rules to regulate the management of the forest and waste lands in the Vayyúru estate. These rules are subject to all rights now legally vested in individuals and communities.—

Rules to regulate the management of the forests and waste lands in the Vayyúru estate, Kistna district.

I. Land at the disposal of the estate will, for the purposes of these rules, be classed as follows:—

(*a*) reserved land;

(*b*) unreserved land.

II. Reserved land includes all lands notified under the next following rule III. All other lands at the disposal of the estate are "unreserved lands."

III. Subject to the sanction of the Board of Revenue, the Collector may, by order in writing to be duly notified in the District Gazette, select any area within the said estate and may constitute it "reserved land." Upon the limits of any such area being notified in the District Gazette, it shall be unlawful for any person to fell, remove, girdle, mark, lop, tap, uproot, burn or strip off the bark or leaves from or otherwise damage any tree within such area or use, injure or remove any forest produce found thereon unless he is authorised to do so by the Estate Forest-officer or by some one duly authorised by him to grant such permission.

IV. On reserved lands no fresh clearing shall be made for cultivation or for any other purposes unless a patta or lease has first been obtained from the Forest-officer.

V. On all unreserved lands in any village, the grazing of cattle, the cutting of grass, the collection of dry wood, thorns, leaves of trees and shrubs that are not reserved and the felling of trees other than those included in the list of reserved trees, will be permitted free of charge, provided that the grass, wood, thorns, leaves or trees are required by the inhabitants of that or of neighbouring villages for agricultural or domestic purposes. Heads of villages

will be held responsible for seeing that the above privileges are not abused, and in the case of disputes the Collector will decide which are neighbouring villages within the meaning of this rule.

VI. The Collector may, by order in writing to be duly notified in the District Gazette, select any áreás within the reserved lands, and may constitute them fuel or fodder reserves or grazing grounds or may direct them to be placed under special fire-protection. Upon the limits of any such area being notified in the District Gazette, it shall be unlawful for any person wilfully or negligently to set fire to any trees, timber, grass or other forest produce or to kindle or to keep burning any fire or to graze cattle or to permit cattle to trespass within such area except at such places and subject to such conditions as may be prescribed by the Collector by notification in the District Gazette.

VII. Trees of the following species are reserved trees wherever found, whether upon reserved or unreserved lands; and such trees shall not ordinarily be felled or otherwise interfered with except on permit given by the Estate Forest-officer or other authorised officials of the estate on such conditions as may be notified from time to time by the Collector in the District Gazette. Subject to the sanction of the Board of Revenue the Collector may, by order in writing to be duly notified in the District Gazette, modify or add to the list of reserved trees from time to time as he thinks fit.

VIII. The felling, conversion, or removal of trees and timber, the collection or removal of other forest produce and the use of the pasturage on reserved land, and, except as provided for in rule V, on unreserved land also, may be effected in one or other of the following ways, but in no other ways:—

(*a*) Departmentally, that is, by the officers of the Estate Forest Department having control over the produce or by persons acting under the immediate superintendence, control or orders of such officers.

(*b*) By persons holding permits duly issued by a Forest-officer or other authorised person. The fees payable for permits issued under clause (*b*) shall not exceed the rates for the time being in force in Government land in the district. These rates will be notified from time to time in the District Gazette.

(*c*) By any person holding the right under a lease, contract or permit granted by the Forest-officer or by any officer duly authorised by him.

Note.—In this rule as well as in rule III above, the term "forest produce" should be construed as not to include minerals (including limestone, laterite, gravel, stone or earth).

IX. The Collector may appoint, by notification in the District Gazette, any person or class of persons by name or in virtue of his office to issue or recover permits under the foregoing rules, and may also prescribe tanuahs or places to which the timber or other forest produce shall be brought for examination and where permits shall be checked or recovered. Permits must be obtained before any felling, conversion, collection or removal is commenced. Permit-holders must comply with the regulations of the Forest Department and the conditions entered in the permit.

X. The Collector may notify that no person shall boil catechu, distil wood-oil or burn lime or charcoal in any reserved or unreserved land except at such places as may be specially set apart for the purpose by the Forest-officer.

XI. Any breach or infringement of any of the above rules shall render the offender liable to imprisonment of either description as defined in the Indian Penal Code, which may extend to one month, or to fine which may amount to Rs. 200, or to both.

XII. Any power to select areas or to issue notifications, given by these rules, may be exercised from time to time as occasion requires, and any orders or notifications made or issued hereunder may be cancelled or modified by the authority making them.

XIII. In the above rules the words "Forest-officer" and "Estate Forest-officer" shall mean the manager of the Vuyyûru estate so long as the estate is under the control of the Court of Wards.

No. 371.—The following notification of the Government of India is republished :—

DEPARTMENT OF REVENUE AND INDUSTRY.

CIVIL VETERINARY ADMINISTRATION.

The 10th June 1910.

No. 1284-77-1.—The following order issued by the Board of Agriculture and Fisheries, London, is published for general information.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 22ND APRIL 1910.)

(7893.)

FOREIGN ANIMALS ORDER OF 1910.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1909, and of every other power enabling them in this behalf, to order, and it is hereby ordered, as follows :—

Interpretation.

1. In this order, unless the context otherwise requires,—

"Cattle" means bulls, cows, oxen, heifers, and calves.
"Animals" means cattle, sheep, and goats, and all other ruminating animals, and swine :
"Carcase" means the carcase of an animal, and includes part of a carcase, and the meat, bones, hide, skin, hoofs, horns, offal, or other part of an animal, separately or otherwise, or any portion thereof :
"Scheduled country" means a country or part of a country included in the First Schedule to this order :
"Foreign" applied to animals and things, means brought in the United Kingdom from any country out of the United Kingdom, and "foreign country" includes any such country :
"Foreign Animals Wharf" means a part of a port defined by Special Order of the Board for the landing of foreign animals subject to slaughter at the port of landing
"Person" includes a body corporate :
"Port" includes place :
"Superintendent of a Foreign Animals Wharf" includes a foreman or wharfinger, or other person in charge of a Foreign Animals Wharf.
"Market authority" means the person in occupation of a Foreign Animals Wharf, whether as owner, lessee or otherwise :
"Reception-lair" means a lair adjacent or near to the place of landing which is set apart for the reception of any animals immediately after landing for the purpose of their examination :
"Lairage-men" means men specially appointed by the market authority for the purpose of landing animals at a Foreign Animals Wharf and feeding and watering and tending them in a reception-lair.
"Disease" means cattle-plague (that is to say, rinderpest, or the disease commonly called cattle-plague), contagious pleuro-pneumonia of cattle, foot-and-mouth disease, sheep-pox, sheep-scab, or swine-fever :
"Fodder" means hay or other substances commonly used for food of animals :
"Litter" means straw or other substances commonly used for bedding or otherwise for or about animals :
"Master" includes a person having the charge or command of a vessel :
Other terms have the same meaning as in the Act of 1894.

CHAPTER I.—ANIMALS NOT INTENDED TO BE LANDED AT A FOREIGN ANIMALS WHARF.

Prohibition of bringing Cattle, Sheep, Goats, or Swine from Scheduled Country into a Port in Great Britain.

2. It shall not be lawful, except under the authority of a license granted by the Board and subject to any conditions thereby imposed, to bring into a port in Great Britain any cattle, sheep, goats, or swine brought from a port in a scheduled country, but this Article shall not apply to any vessel not bound to a port in Great Britain which comes into a port under stress of weather or for repairs or for any purpose other than the delivery or shipment of cargo.

Conditions applicable to vessels while in Port.

3. In the case of any cattle, sheep, goats, or swine brought into a port in Great Britain from a port in a scheduled country, the following conditions shall apply while the vessel is in the port, namely :—

(i) The animals shall not, except under the authority of a license granted by the Board and subject to any conditions thereby imposed, be removed from the vessel in which they are brought to Great Britain, and then only in accordance with the provisions of the Diseases of Animals Acts, 1894 to 1909, and this Order.

(ii) Except where the license otherwise provides, the animals shall not be removed from the vessel until they have been examined by a Veterinary Surgeon on behalf of the Board and any Inspector of the Board or Veterinary Surgeon employed for that purpose by the Board shall be permitted to examine the animals at such time or times as he may require.

(iii) No person, except Inspectors of the Board, Officers of Customs and Excise, and persons while actually engaged in tending the animals or cleansing or disinfecting the pens, shall enter a pen in which the animals are, or have recently been kept, until the pen has been cleansed and disinfected.

(iv) Every person upon leaving a pen in which the animals are or have recently been kept, shall thoroughly wash his hands with soap and water and disinfect his boots with a five per cent. solution of carbolic acid, and every such person landing from the vessel in Great Britain shall take such other steps as may be necessary to disinfect his clothes.

(v) The vessel shall, from time to time as and when required by notice signed by an Inspector of the Board, be cleansed and disinfected as follows:—

(a) All parts of the vessel with which the animals or their dung have come in contact shall be scraped and swept and then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected in the manner prescribed by this order.

(b) All fittings, pens, hurdles, or utensils used for or about the animals shall be scraped and then cleansed and disinfected in the same manner.

(c) While any part of the vessel is being cleansed or disinfected all animals shall be temporarily removed therefrom.

(vi) While the vessel remains in any port in Great Britain, all dung of the animals, and all litter, scrapings and sweepings removed from the pens, shall, at intervals not exceeding twenty-four hours, be thoroughly mixed with quicklime and thereafter without delay either be destroyed by fire on board the vessel or be disposed of as an Inspector of the Board may direct.

Prohibition of landing of Animals from certain Foreign Countries.

4. (1) It shall not be lawful to land in Great Britain any animal brought from a port in a scheduled country.

(2) It shall not be lawful to land in Great Britain any animal exported from the Cape Verd Islands, Madeira, the Azores or the Canary Islands.

Prohibition of landing of Swine from the United States of America.

5. It shall not be lawful to land in Great Britain any swine brought from a port in the United States of America.

Prohibition of Landing of Carcases, etc.

6. (1) It shall not be lawful to land in Great Britain—

(a) a carcase of an animal which has died or been slaughtered on board a vessel while in a port in a scheduled country or during the passage from any such port to Great Britain or thereafter while in any port in Great Britain; or

(b) the dung of any such animal; or

(c) any partly consumed or broken fodder that has been supplied to any such animal; or

(d) any litter that has been used for or about any such animal; or

(e) any fittings, pens, hurdles, or utensils used for or about any such animal unless they have been scraped and then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected in the manner prescribed by this Order, and unless the permission of an Inspector of the Board for the landing thereof has been obtained.

(2) The Principal Officer of Customs and Excise may seize and detain any carcase, dung, fodder, litter, fittings, pens, hurdles, or utensils landed in contravention of this Article, and he shall forthwith report the facts to the Commissioners of Customs and Excise, who may give such directions as they think fit for the destruction or disposal thereof.

CHAPTER 2.—TRANSHIPMENT.

Transhipment.

7. (1) Foreign animals shall not be transhipped in a port in Great Britain otherwise than in accordance with this Article or under the authority of a license granted by the Board and subject to any conditions thereby imposed.

(2) Transhipment, otherwise than under the authority of a license granted by the Board, shall not take place in any dock except with the special permission of the Principal Officer of Customs and Excise or of some person authorised to act on his behalf, and such special permission shall be given only when on account of the state of the tide or for some other special circumstance transhipment otherwise than in a dock is impracticable or inexpedient. Where such special permission has not been obtained the master of the vessel in which the animals are imported shall give all facilities for the transhipment of the animals before the vessel enters any dock in Great Britain.

(3) Animals intended to be landed at a Foreign Animals Wharf may be transhipped from the vessel in which they are imported to a landing-vessel provided by the port authority or market authority, if the use of the vessel for such purpose has previously been sanctioned by the Commissioners of Customs and Excise, either generally or in the particular instance.

(4) The animals shall be transhipped in the presence and under the supervision and control of an Officer of Customs and Excise, and an Officer of Customs and Excise shall remain in charge of the animals on board the landing vessel until its arrival at the Foreign Animals Wharf.

(5) The landing vessel shall proceed direct to the Foreign Animals Wharf, and the animals shall be landed there in the presence and under the supervision and control of an Officer of Customs and Excise.

(6) The landing-vessel shall not be used for any other purpose during the time of its being so appropriated.

(7) All parts of the landing-vessel with which the animals or their dung have come in contact shall immediately after each occasion of use, and before being again used, be scraped and swept, and

then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected in the manner prescribed by this Order.

(8) The scrapings and sweepings of the landing-vessel shall not be landed unless and until they have been well mixed with quicklime.

(9) Animals transhipped under this Article shall continue to be deemed foreign animals.

CHAPTER 3.—ANIMALS INTENDED TO BE LANDED AT A FOREIGN ANIMALS WHARF.

Landing of Foreign Animals not brought from a Scheduled Country and destined for a Foreign Animals Wharf in Great Britain.

8. (1) The landing of foreign animals, the landing of which in Great Britain is not prohibited by this Order, is hereby made subject to the following conditions:

First—That the vessel in which they are imported has not, within twenty-eight days before taking them on board, had on board an animal exported or carried coastwise from a port in a scheduled country.

Second—That the vessel has not within twenty-one days before taking on board the animals imported or at any time since taking them on board, entered or been in a port in a scheduled country.

Third—That the animals imported have not, while on board the vessel, been in contact with an animal exported or carried coastwise from a port in a scheduled country.

(2) Animals shall not be landed unless and until the master of the vessel in which they are imported has on the occasion of such importation delivered to the Commissioners of Customs and Excise or their proper officer, a declaration made and signed that all the animals then imported therein are properly imported according to the provisions of this Article.

Charge of Animals on Landing at a Foreign Animals Wharf.

9. (1) Animals landed at a Foreign Animals Wharf shall, when landed, be placed under the charge of an Inspector of the Board; and, until his arrival, they shall remain under the charge of the Commissioners of Customs and Excise.

(2) It shall not be lawful for any person to move any animals so long as they remain under the charge of the Commissioners of Customs and Excise or of an Inspector of the Board except with the permission of the Commissioners or of the Inspector, as the case may be.

Disposal of Animals on Landing.

10. Animals when landed at a Foreign Animals Wharf shall be driven by lairage-men to the nearest available reception-lair or lairs within the limits of the Wharf, there to await the examination of an Inspector of the Board, and, until so examined, shall not be allowed to come in contact with any animals other than those forming part of the same cargo.

Examination of Animals.

11. (1) The animals shall be examined in a reception-lair by an Inspector of the Board during daylight.

(2) If on such examination all the animals are found to be free from disease, the Inspector of the Board may permit the animals to be retained in such lair, which shall thereupon cease to be a reception-lair, or he may permit them to be moved out of such lair and into such other parts of the Foreign Animals Wharf as the market authority or its officers or the Inspector of the Board shall direct or permit.

(3) In the case of a cargo of animals landed or intended to be landed at different times or different ports in Great Britain, an Inspector of the Board may cause the animals in a reception-lair to be there detained until he has examined, or become acquainted with the result of the examination of the rest of the cargo.

Time for Slaughter.

12. (1) The owner of an animal landed at a Foreign Animals Wharf shall cause the same to be slaughtered within ten days after the landing thereof, exclusive of the day of landing, in accordance with the provisions of this Article.

(2) The slaughter of the animals may be commenced at any time after the landing thereof with the permission of an Inspector of the Board.

(3) The slaughter of the animals shall be commenced at such time after the landing thereof as an Inspector of the Board in any case may direct, and when commenced shall be completed as soon as practicable.

(4) Where an Inspector of the Board for any reason considers that an animal should be forthwith slaughtered and shall so direct, the animal shall be slaughtered accordingly.

Restrictions on Access to Foreign Animals Wharf.

13. (1) No person, except Officers of Customs and Excise, lairage-men, the Superintendent of the Foreign Animals Wharf, Inspectors of the Board, and such other persons as may be specially authorised in writing by an Inspector of the Board, shall during the time of the landing of the animals enter upon the landing-stage, pier, quay, or other part of the Foreign Animals Wharf at which the animals are landed, and no person except as aforesaid shall at any time enter upon any part of the Wharf which is being used as a reception-lair.

(2) No person shall during the landing of the animals enter upon the part of the Wharf at which the animals are landed or at any time enter a reception-lair unless he is wearing suitable overall coat and leggings, and every person who enters such part of a Wharf or reception-lair shall forthwith after leaving the same remove his overall clothes, and thoroughly wash his hands with soap and water and disinfect his boots

(3) Overall clothes shall not be removed from a Foreign Animals Wharf unless and until they have been thoroughly disinfected.

(4) Any person desiring to enter a Foreign Animals Wharf may be required by any officer authorised in writing in that behalf by the market authority to state the nature of the business necessitating such entry, and if he declines to make such statement, or if the officer requiring such statement is not satisfied as to the correctness of the same, or that the business necessitates his entry, the officer so authorised may prohibit his entry into the Wharf.

(5) The market authority shall give notice of the provisions of this Article by placards, which shall be kept affixed at or near the entrance of any landing-stage, pier, quay, reception-lair, or other part of the Wharf to which access is for the time being restricted by this Article.

Power to exclude Persons.

14. (1) An Inspector of the Board or the Superintendent of a Foreign Animals Wharf, is hereby empowered to affix at or near the entrance thereof or of any building therein, a notice forbidding persons to enter therein without the permission mentioned in the notice; and thereupon any person who enters or goes into, on, or over such premises without that permission shall be deemed guilty of an offence against the Act of 1894.

(2) An Inspector of the Board, or the Superintendent of a Foreign Animals Wharf, is hereby empowered to direct any person to quit such Wharf, or any particular building, lair, landing-stage, pier, quay, or other portion thereof; and thereupon any person who fails to quit such premises on direction as aforesaid shall be deemed guilty of an offence against the Act of 1894.

Provision of Overall Clothes.

15. The market authority shall at all times provide to the satisfaction of the Board suitable overall coats and leggings for the use of hirage-men and other persons entering the Wharf.

Disinfection of Persons and Clothes.

16. An Inspector of the Board, or the Superintendent of a Foreign Animals Wharf, may affix at or near the entrance of the Wharf or any building therein a notice to the effect that persons before entering such Wharf or building, or before leaving such Wharf or building as may be stated in the notice, will be required to disinfect themselves and their clothes in the manner specified in such notice, and thereupon every person shall disinfect himself and his clothes accordingly.

Regulations in case of Detention of Disease in Foreign Animals Wharf.

17. If it appears to an Inspector of the Board that disease exists or has lately existed in a reception lair, or in any particular building, slaughter-house, or other part of a Foreign Animals Wharf, all the animals that are then within such reception-lair, building, slaughter-house, or other part of a Wharf shall be there detained by the Inspector of the Board or shall be moved to such other part of the Wharf as he shall direct or permit, and the same shall be dealt with in accordance with instructions given by the Inspector of the Board.

Food and Water.

18. (1) Animals landed at a Foreign Animals Wharf shall, until they are taken charge of by the owners or consignees, be supplied by the market authority or the person in charge of the animals with a proper and sufficient supply of food and water and the expenses incurred by them in respect thereof shall be recoverable by such authority or person from the owners or consignees in any court of competent jurisdiction.

(2) The animals shall, after they have been taken charge of by the owners or consignees, be supplied by the owners or consignees with a proper and sufficient supply of food and water.

(3) The food supplied to sucking calves in accordance with this Article shall be gruel or milk or other proper food.

(4) If an animal remains without a proper and sufficient supply of food or water in contravention of this Article, the market authority, and the owner and the consignee and the person in charge of the animal, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894; and it shall lie on the person liable to supply food and water to the animal when charged to prove the proper and sufficient supply of food or water or both and the time when the same was so supplied.

Movement of Carcases, Manure, etc.

19. (1) No carcase, offal, fodder, litter, dung or manure shall be removed from a Foreign Animals Wharf, except with the permission of an Inspector of the Board.

(2) All dung and manure shall, before being so removed, be disinfected to the satisfaction of an Inspector of the Board.

(3) If an Inspector of the Board is of opinion that any such carcase or thing as aforesaid may introduce disease, the same shall be destroyed or otherwise dealt with in accordance with instructions given by the Inspector.

Removal of Fittings, etc., from Foreign Animals Wharf.

20. (1) Fittings, pens, hurdles, or utensils that have been used for or about animals and have been landed from a vessel at a Foreign Animals Wharf shall not be removed from such Wharf unless they have been scraped and subsequently disinfected in the manner prescribed by this Order, and unless the permission of an Inspector of the Board for the removal thereof has been obtained.

(2) If an Inspector of the Board is of opinion that any such thing as aforesaid may introduce disease, the same shall be destroyed or otherwise dealt with in accordance with instructions given by the Inspector.

Disinfection of Foreign Animals Wharf.

21. An Inspector of the Board may give notice in writing to the market authority or Superintendent of a Foreign Animals Wharf requiring the cleansing and disinfection of any portion of the Wharf by such market authority, and when such notice shall have been given that portion of the Wharf shall not be used for animals unless and until it has been cleansed and disinfected to the satisfaction of an Inspector of the Board.

Restriction on Use of Foreign Animals Wharf.

22 (1) No animals other than foreign animals shall at any time be landed at or moved into or kept in a Foreign Animals Wharf.

(2) Any animal being in a Foreign Animals Wharf shall, without prejudice to the recovery of any penalty for the infringement of this Article, be deemed to be a foreign animal, and the provisions of this Order shall apply to such animal accordingly.

(3) A Foreign Animals Wharf shall not be used for any purpose other than the purposes authorised by the Diseases of Animals Acts, 1894 to 1909, or any Order of the Board under the said Acts in relation thereto.

CHAPTER 4.—LANDING, DISINFECTION, AND DISPOSAL OF DUNG, FODDER, LITTER, FITTINGS AND OTHER THINGS.

Landing subject to Customs Regulations.

23. All dung of animals carried from a foreign country, and all fodder, litter, fittings, pens, hurdles, or utensils used for or about such animals, and all other dung, fodder or litter brought in the same vessel with such animals, shall, if landed, be landed in such manner, at such times, at such places, and subject to such supervision and control, as the Commissioners of Customs and Excise direct.

Regulations as to Landing and Disinfection of Dung, Fodder, &c.

24. (1) Dung of animals carried from a foreign country, and partly consumed or broken fodder that has been supplied to such animals, and litter that has been used for or about such animals, shall not be landed at any place without the previous consent in writing of the Local Authority of the district in which the place is situate.

(2) All other fodder and litter brought in the same vessel with animals carried from a foreign country may be landed without the previous consent of the Local Authority, but shall, when landed, remain under the charge of an Officer of Customs and Excise, and such fodder and litter shall not be removed from the place of landing except with the permission in writing of an Officer of Customs and Excise.

(3) Fittings, pens, hurdles, or utensils used for or about animals carried from a foreign country shall not be landed at any place without the previous consent in writing of the Local Authority of the District in which the place is situate unless they have been scraped and then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected in the manner prescribed by this Order. If landed with such consent without having been so previously cleansed and disinfected they shall be forthwith cleansed and disinfected in the manner aforesaid by and at the expense of the owner, and shall not be removed or permitted to come in contact with animals until so cleansed and disinfected.

(4) All dung of animals carried from a foreign country, and all partly consumed or broken fodder that has been supplied to such animals, and all litter that has been used for or about such animals, shall, when landed, be forthwith well mixed with quicklime and be effectually removed from contact with animals.

(5) Nothing in this Article shall apply to any such dung, fodder, litter, fittings, pens, hurdles, or utensils landed at a Foreign Animals Wharf.

CHAPTER 5.—DISINFECTION OF VESSELS, MOVEABLE GANGWAYS, AND OTHER APPARATUS.

Disinfection of Vessels.

25. (1) In the case of a vessel from which animals carried from a foreign country have been landed in Great Britain, each compartment of the vessel shall, after the landing of the animals therefrom, and before any animal or cargo is placed in that compartment, be cleansed and disinfected as follows:—

(i) All parts of the compartment with which the animals or their dung have come in contact shall be scraped and swept, and then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected in the manner prescribed by this Order;

(ii) All fittings, pens, hurdles, or utensils used for or about the animals shall, if not removed from the vessel, be scraped, and then cleansed and disinfected in the same manner.

(2) Each part of the vessel with which the animals of their dung have come in contact, and all fittings, pens, hurdles, and utensils, used for or about animals, shall be cleansed and disinfected in accordance with the provisions of this Article before any other animal or any cargo is allowed to come in contact therewith.

(3) The scrapings and sweepings of the vessel shall not be landed unless they have been well mixed with quicklime, and when landed they shall be effectually removed from contact with animals.

Disinfection of Moveable Gangways and other Apparatus.

26. (1) A moveable gangway, passage-way, cage, or other apparatus, used or intended for the landing or unloading on or from a vessel of animals carried from a foreign country, or otherwise used in connection with the transit of such animals, shall, so soon as practicable after being so used, be scraped and swept, and then thoroughly washed or scrubbed or scoured with water and subsequently disinfected in the manner prescribed by this Article.

(2) The scrapings and sweepings, and all dung, litter, and other matter so removed shall forthwith be well mixed with quicklime, and be effectually removed from contact with animals.

Disinfection of Vessels arriving in Great Britain after Discharge of Animals.

27. In the case of a vessel from which animals carried from a foreign country have been landed elsewhere than in Great Britain, this Chapter shall apply when the vessel arrives in a port in Great Britain, if and so far as its requirements have not already been complied with.

CHAPTER 6.—PROTECTION OF ANIMALS.

Protection of Animals.

28. This Chapter shall apply in the case of every vessel in or on which foreign animals intended to be landed at a Foreign Animals Wharf are carried to a port in Great Britain.

(Parts of Vessel to be used.)

(i) Animals shall not be carried on more than three decks unless a license from the Board has been previously obtained exempting the vessel from this requirement.

(ii) Animals shall not be carried on any hatch above a compartment where other animals are carried, or on any hatch the coamings of which exceed eighteen inches in height.

(iii) Animals shall not be carried in any part of the vessel where, in ordinary course of navigation, they would interfere with the proper management or ventilation of the vessel, or with the efficient working of the boats.

(Pens and Fittings of Vessels.)

(iv) All animals shall be carried in pens.

(v) No pen shall exceed eleven feet in length and nine feet in breadth, and each pen shall be constructed in such a manner, and with materials of such character and strength as to be able to withstand the action of the weather, and to resist the weight of the animals thrown against it.

(vi) Ship's fittings likely to cause injury or unnecessary suffering to animals shall be properly and securely fenced off.

(vii) The floor of each pen shall, in order to prevent slipping, be fitted with suitable battens or other proper footholds which shall be securely fastened to the deck by angle iron plates or otherwise, and shall be strewn with a proper quantity of sand or other suitable substance.

(viii) Animals while on board a vessel shall be protected against injury or unnecessary suffering from undue exposure to the weather.

(Space for Animals.)

(ix) Sufficient space shall be allotted in every pen to enable the animals therein properly to feed and rest during the voyage.

(Overcrowding.)

(x) The vessel shall not be overcrowded in any part or pen so as to cause injury or unnecessary suffering to the animals therein.

(Passage-ways.)

(xi) Between every two rows of animals, and in front of every single row of animals, there shall be a passage-way of a minimum width of one foot and six inches, which passage-way shall be kept free of obstruction.

(Ventilation.)

(xii) All parts of the vessel on which animals are carried shall be sufficiently and suitably ventilated. All such parts if below deck shall, in addition to any ventilation obtained by means of the hatchways, be provided with sufficient and suitable ventilators for the removal of foul air and for the admission of a proper supply of fresh air to all the animals carried.

(Light.)

(xiii) Arrangements shall be made for the provision at all times of adequate light for the proper tending of the animals.

(Food and Water.)

(xiv) When animals are carried on a vessel for a voyage which on an average takes more than eighteen hours, they shall be provided while on board with a sufficient amount of food and water, and proper accommodation shall be provided on board for the stowage of food so that the same shall not be unduly exposed to the weather.

(Securing of Cattle.)

(xv) All cattle, whether polled or not, while being carried on a vessel shall be securely tied by the head or neck in such manner as not to cause unnecessary suffering and so as to stand athwartships.

(Approaches, Gangways, and other Apparatus.)

(xvi) Approaches, gangways, passage-ways, cages, and other apparatus used for the landing of animals from a vessel shall be so constructed that injury or unnecessary suffering shall not be caused to the animals.

(Attendance.)

(xvii) The vessel shall, in addition to the ordinary crew, carry a sufficient number of qualified attendants to tend the animals properly; and every consignment of cattle shall be in charge of a

responsible foreman, who shall have under him competent assistants numbering with himself one for every twenty-five head of cattle; and proper and suitable accommodation for all these persons shall be provided.

(Injured Animals.)

(xviii) If any animal on board a vessel has a limb broken or is otherwise seriously injured, the master of the vessel shall forthwith cause that animal to be slaughtered unless he is satisfied that it can be kept alive and led away without cruelty.

CHAPTER 7.—SPECIAL PROVISIONS IN EVENT OF A COUNTRY OR PART OF COUNTRY BEING DECLARED BY SUBSEQUENT ORDER TO BE A SCHEDULED COUNTRY FOR PURPOSES OF THIS ORDER.

Landing at Foreign Animals Wharf.

26. In the event of a country or part of a country being declared by subsequent Order of the Board to be a scheduled country for the purposes of this Order, animals carried in a vessel leaving the scheduled country before the commencement of such subsequent Order may, notwithstanding the provisions of Article 4 of this Order, be landed at a Foreign Animals Wharf in Great Britain in accordance with the provisions of this Chapter, but not otherwise.

Special Provision as to Animals destined for Manchester Foreign Animals Wharf.

30. The animals if intended to be landed at the Manchester Foreign Animals Wharf shall not be carried through the Eastham Lock until they have been examined by an Inspector of the Board, and unless and until the Inspector certifies that his examination and information do not show that there is, or during the voyage has been, an animal on board affected with foot-and-mouth disease.

Inspection by Inspector of the Board.

31. An Inspector of the Board shall be permitted to examine the animals on board the vessel in which they are brought to Great Britain at such time or times as he may require, and the animals shall not be landed or transhipped until they have been so examined.

Duty of Master of Vessel to report Foot-and-Mouth Disease.

32. If any animal taken on board any vessel for conveyance to Great Britain has during the voyage been affected with foot-and-mouth disease, the master of the vessel shall as soon as possible report the fact to the Inspector of the Board who examines the animals.

Disinfection of Persons and Clothes

33. Unless and until an Inspector of the Board certifies that his examination and information do not show that there is, or during the voyage has been, an animal on board affected with foot-and-mouth disease, every person before landing in Great Britain from the vessel, shall, unless he lands at a Foreign Animals Wharf, effectually wash and disinfect himself, and change or effectually disinfect his clothes, so as to prevent the introduction or spread of foot-and-mouth disease by him or his clothes.

Landing or Transhipment subject to Permission of Inspector.

34. The animals shall not be landed or transhipped except with the permission of an Inspector of the Board, which permission will only be given when the Inspector is satisfied that sufficient lairage and other accommodation is available for the landing and slaughter of the animals in accordance with the provisions of this Order.

Transhipment.

35. The animals, if so required by an Inspector of the Board, shall be transhipped into vessels approved for such purpose by an Inspector of the Board. Any vessel so used shall be cleansed and disinfected by the owner thereof in such manner as shall be required by an Inspector of the Board.

Landing, etc., at Specified Part of Wharf only.

36. The animals shall be landed only at such part of the Foreign Animals Wharf as an Inspector of the Board may direct, and when landed shall be driven by lairage-men specially appointed for this purpose to such lairs within the limits of the wharf as may be specially approved for that purpose by an Inspector of the Board.

Slaughter of Animals

37. After such examination as may be required by an Inspector of the Board, the animals shall either be slaughtered immediately in the lairs in which they then are, or they may, with the permission of an Inspector of the Board, be moved forthwith to a slaughter-house in the wharf specially approved for that purpose by an Inspector of the Board and there immediately slaughtered.

Special Disinfection of Vessel in event of Foot-and-Mouth Disease.

38. If an Inspector of the Board certifies that there is, or during the voyage has been, an animal on board the vessel affected with foot-and-mouth disease, then after all animals shall have been landed the vessel shall, if instructions to such effect be given by an Inspector of the Board, proceed to sea for a preliminary cleansing and disinfection of the parts of the vessel used for animals, subject to such supervision as the Board may require, and in accordance with any instructions given by an Inspector of the Board.

Disposal of Fittings.

39. Any fittings used in connection with the animals shall, if so required by an Inspector of the Board, be landed and burnt at such time and place and in such manner as an Inspector of the Board may direct.

Disposal of Dung, Fodder, etc.

40. The dung of the animals brought in the vessel, and any fodder or litter brought in the vessel, and the fittings, pens, hurdles or utensils used for or about the animals shall not be landed in Great Britain, except at a Foreign Animals Wharf, unless the Board for some exceptional cause by license otherwise permit. For the landing thereof at a Foreign Animals Wharf the previous consent of the Superintendent of the Wharf shall be obtained

CHAPTER 8.—MISCELLANEOUS.

Prescribed manner of Disinfection.

41. The prescribed manner of disinfection to be adopted under this Order shall be as follows:—

(i) The place or thing, or the part thereof required to be disinfected, shall be thoroughly washed with—

(a) a one per cent. (minimum) solution of chloride of lime containing not less than thirty per cent. of available chlorine; or

(b) a five per cent. (minimum) solution of carbolic acid (containing not less than ninety-five per cent. of actual carbolic acid), followed by a thorough sprinkling with limewash; or

(c) a disinfectant equal in disinfective efficiency to the above mentioned solution of carbolic acid, followed by a thorough sprinkling with limewash,

(ii) The application of limewash shall not be compulsory as regards such parts of a vessel as are used for passengers or the crew.

Animals Dying on Voyage.

42. (1) If on a vessel arriving at a port in Great Britain from a foreign country an animal taken on board for the purpose of importation has died or been slaughtered during the voyage, the master of the vessel shall, immediately on arrival at the place of discharge, report the fact to the proper Officer of Customs and Excise at the port.

(2) The carcase shall not be landed or discharged from the vessel without the permission in writing of the Officer

General Power of Detention.

43. If it appears to the Principal Officer of Customs and Excise with respect to any foreign animal, or with respect to any foreign carcase, fodder, litter, dung, or other thing, that disease may be thereby introduced, he may seize and detain the same; and he shall forthwith report the facts to the Commissioners of Customs and Excise who may give such directions as they think fit, either for the slaughter or destruction or the further detention thereof or for the delivery thereof to the owner on such conditions, if any (including payment by the owner of expenses incurred by them in respect of detention thereof), as they think fit.

Duties of Local Authority and Police.

44. The Local Authority and their officers and all constables and police officers shall assist the Inspectors of the Board to carry into effect and enforce this Order, and shall do or cause to be done all things necessary for the effectual execution of the same.

Exemption of Certain Animals.

45. This Order shall not apply in relation to animals brought to Great Britain from the Channel Islands or the Isle of Man or to animals to be landed at a Foreign Animals Quarantine Station, provision as to which is made by separate Orders of the Board

Offences.

46. (1) If any animal, carcase, dung, fodder, litter, fittings, pens, hurdles, utensils or other thing shall be brought into a port or transhipped or landed or moved in contravention of this Order or of the conditions of a license granted under this Order, the owner thereof and the owner and the lessee and the occupier of the place of landing or other place where or from which such animal, carcase, or other thing is landed or moved, and the person causing, directing, or permitting the bringing into port or transhipment or landing or movement, the owner and the charterer and the master of the vessel in which the same is brought or from which the same is transhipped or landed, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894

(2) If any person, whose entry into a Foreign Animals Wharf or any part of a wharf is prohibited, enters or attempts to enter into such wharf or part of a wharf he shall be deemed guilty of an offence against the Act of 1894

(3) If anything is done or omitted to be done as regards cleansing or disinfection in contravention of this Order, the owner and the charterer and the master of the vessel in or in respect of which, and the owner of the gangway or passage-way, cage or other apparatus in respect of which, and the market authority of the Foreign Animals Wharf in which, and the owner and the lessee and the occupier of any other place or thing in respect of which, as the case may be, the same is done or omitted to be done, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(4) If any person fails to carry out or observe any direction as regards cleansing or disinfection, which he is by this Order required to carry out or observe, he shall be deemed guilty of an offence against the Act of 1894.

(5) If any animal is not slaughtered in accordance with the provisions of this Order, the person failing to cause such slaughter shall be deemed guilty of an offence against the Act of 1894.

(6) If anything is done or omitted to be done with respect to any vessel or any animals thereon in contravention of this Order, the owner and the charterer and the master of the vessel in which the same is done or omitted to be done, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

Revocation of Orders.

47. The Orders described in the Second Schedule to this Order are hereby revoked.

Commencement.

48. This Order shall come into operation on the first day of January, nineteen hundred and eleven.

Short Title.

49 This Order may be cited as the FOREIGN ANIMALS ORDER OF 1910.

L.S. In witness whereof the Board of Agriculture and Fisheries have hereunto set their official seal this twenty-second day of April, nineteen hundred and ten.

No 377.—The following rules which are proposed to be made under sections 1 and 4 of Madras Act VII of 1865, as amended by Madras Act V of 1900, will be taken into consideration by His Excellency the Governor in Council on or after the 30th day of September 1910 and any suggestion or objection relating thereto must be submitted for the consideration of Government before that date.

Rules for the levy of water-cess on dry lands irrigated from Government sources in the Nellore district.

Rule I.—When water is supplied to dry lands in Government villages, the following rates of water-cess will be charged :—

(1) For a single wet crop the difference between the wet and dry rates at which the land is assessed

(2) For a second or third wet crop—One half of the charge shown against item (1) *plus* half the dry assessment.

(3) For a first, second or third dry crop—One-third of the charge shown against item (1).

(4) For sugarcane, betel, plantains, etc., other wet crops which ordinarily remain on the ground for more than six months—The sum of the charges specified against items (1) and (2).

(5) For dry crops which ordinarily remain on the ground for more than six months—One and a half times the charge shown against item (3).

Note.—Where the settlement register does not show the wet taram and rate of any dry land, such taram and rate shall be determined by the Collector

Rule II.—When water is supplied from first-class sources to dry lands in zamindari and whole inam villages, the following rates will be charged :—

	Rs.	A.	P.
(1) For sugarcane, betel, plantains and turmeric	6	0	0
(2) For paddy, first crop	4	0	0
(3) For paddy, second or third crop	2	0	0
(4) For chillies, sweet potato, onion, brinjal and similar garden crops ..	3	0	0
(5) For indigo standing on the ground for more than six months ..	2	8	0
(6) For indigo standing on the ground for not more than six months .	1	4	0
(7) For mundlewari paddy	2	0	0
(8) For korra, cholam, cumbu, ragi, arika, black gram, horse gram, coriander and cumin-seed	1	0	0

Note.—Three-fourths of the above rates will be charged when water is supplied from second-class sources.

Rule III.—When water used for irrigation cannot be obtained without raising it by baling or some mechanical contrivance, the water-rate charged will be three-fourths of the rates specified in Rules I and II. No charge will be made for a second or a third dry crop provided that the land on which it is grown is not irrigable by direct flow during any part of the year.

Note.—On lands under dornva and doabandam wells a single charge of one-quarter or one-eighth of the difference between wet and dry assessments will be made according as water is raised by single or double lift. No charge will be made for second or third crop

Rule IV.—For the purpose of the rates specified in Rules I and II above, a second wet crop is a wet crop following an irrigated crop grown in the same fasli and a third wet crop is a wet crop following two irrigated crops grown in the same fasli; a second dry crop is a dry crop raised in succession to another crop whether that first crop is wet or dry and a third dry crop is a dry crop raised in succession to two other crops wet or dry.

Note.—The rules for the levy of water-cess on land irrigated from the Ponnaiar and the Hajipuram tanks sanctioned in G.Os., Nos. 1583, Revenue, dated 20th December 1904, and 920, Revenue, dated 31st March 1908, respectively, are hereby cancelled.

No. 1028.—Under clause (xv) of section 144 of the Madras Local Boards Act, 1884, the Governor in Council is pleased to prescribe the following rules for the interpellation of the President by the members of District or Taluk Boards. The Governor in Council further directs under section 146 of the said Act that these rules shall come into operation in all districts on the 1st September 1910:—

Rules for the interpellation of the President by the members of District or Taluk Boards.

1. No question shall be asked or answered at a meeting of the District or Taluk Board as to any matters or branches of the administration, other than those under the control of the Board and no question shall be asked except as to matters of fact, and the answer shall be confined to a statement of facts. Except as thus provided, any question may be asked by any member, subject to the following conditions and restrictions.

2. A member who wishes to ask a question shall give at least ten clear days' notice in writing to the President of the Board, submitting in full the question which he wishes to ask.

3. Questions must be so framed as to be merely requests for information and must not ask for the opinion of the President or be in an argumentative or hypothetical form or defamatory of any person or section of the community.

4. The President may disallow any question without giving any reason therefor other than that, in his opinion, it cannot be answered consistently with the public interests, and in such case the question shall not be entered in the proceedings of the board.

5. The President may, if he thinks fit, allow a question to be asked with shorter notice than ten days, and may in any case require longer notice, if he thinks fit, or extend, if necessary, the time for answering a question.

6. Questions allowed by the President shall be entered in the agenda paper for the day, and the President shall answer every question so entered, if not previously withdrawn by the member putting it, in the order in which it stands in the paper, before any other business is entered upon at the meeting.

Provided that the President may, at his discretion, on the ground of public interest, answer a question on the agenda paper, even though the question may have been withdrawn.

7. No discussion shall be permitted in respect of an answer given to a question asked under these rules.

8. The question asked and the answer given to it shall be entered in the proceedings of the board.

REVENUE NOTIFICATION.

NOTIFICATION

Erratum to Notification under section 75 of the Sea Customs Act VIII of 1878, published at pages 551 to 555 of the FORT ST. GEORGE GAZETTE, *dated 21st March 1906, Part II.*

Substitute the following for the Rules for the exemption of passengers' baggage for Customs duty printed on the reverse of the passengers' Baggage Declaration, Form A :—

1. The *bond fide* baggage of a passenger is exempt from duty when it accompanies him; does not form part of the cargo; and is not included in the manifest.

2. *Bond fide* baggage shall include wearing apparel and personal effects, provided that the articles are not for sale and are imported for the personal use of the passenger or for the use of members of his family travelling with him; but it shall not include the following articles, on which duty must be paid in all cases :—

(*a*) Arms, ammunition and all other articles enumerated in Schedule II of the Tariff Import Schedule.

(*b*) Alcoholic liquor exceeding two quarts and perfumed spirit exceeding one quart.

(*c*) Cigars and cigarettes exceeding 100 in number, whether in opened or unopened boxes, and other tobacco exceeding 1 lb. in weight.

(*d*) All other articles enumerated in Schedule III.

(*e*) Pianos, pianolas, carriages, motor-cars and motor-cycles.

(*f*) Articles for household use such as furniture, pictures, carpets, glass, crockery, cutlery and silver and plated ware, except such articles (other than furniture or carpets) as shall appear to the Customs authorities to be imported in a moderate quantity and to be required for the personal use of the passenger, whilst travelling or immediately upon his arrival at his destination.

3. Notwithstanding anything to the contrary in rule 1, *bond fide* baggage landed at any Customs port within one month before or after the *arrival* of a passenger in India may, subject to the exceptions specified in rule 2, be passed free at the discretion of the Collector of Customs.

VACANCIES.

APPOINTMENT OF SUB-INSPECTORS.

APPLICATIONS are invited from qualified Telugu candidates for the post of Sub-Inspector of Police. Applicants *who must be graduates or have passed the F. A. Examination* should be of good social position and standing and be able to produce proof of good character. They must be not under 21 nor over 25 years of age, nor less than 5' 6" in height and 32" round the chest. Appointments are subject to the production of a medical certificate of physical fitness *which is granted free of cost* on the requisition of a District Superintendent of Police.

Note.—The minimum educational qualification is the Matriculation Examination, but only a few posts will be given to applicants not better qualified. None need apply who have not matriculated.

2. The promotion of head constables to the grade of Sub-Inspector has now been restricted to a very small proportion and the prospects of Sub-Inspectors of proved character, conduct and capacity have been much improved in that they are eligible for promotion to the new grade of Circle Inspectors about to be introduced in consequence of the reorganization of the Police Department. The pay of Inspectors has not only been increased but their prospects have been improved by the throwing open to them of the posts of Deputy Superintendents of Police in the Provincial service on pay ranging from Rs. 250 to Rs. 500, eventually rising to a maximum of Rs. 900 if placed in charge of districts.

3 The pay of Sub-Inspectors runs from Rs 80 to Rs 100 with a horse allowance of Rs. 15 per mensem. They are entitled to liberal halting and travelling allowances and from the beginning of their service draw double second-class fares when travelling by train subject to the provisions of the Civil Service Regulations.

4 Selected candidates will undergo a year's training at the Provincial Training School, Vellore, during which period they are granted an allowance of Rs. 320 to cover expenses. This period of service qualifies for pension.

5. The next selections will be made in August 1910 by Deputy Inspectors-General of Police to whom applications will be forwarded by Superintendents before August 1st. Forms of application and copies of conditions of employment are available in all District Police offices. Applications from suitable candidates will be registered at any time of the year.

6. Applicants must know Telugu and be able to read and write it.

7. *Applications should in the first instance be made to Superintendents of Police* of the districts to which the applicants belong. Permanent residents of Madras should apply to the Deputy Commissioner of Police of their division. Residents of native states should apply to the Superintendent of Police of the British district nearest to them
